Welcome to the Music Room!

My name is Keeley McDonough or Ms. McD. as the students call me.

I will be your child's music teacher this school year. In an effort to be

'green' I have decided to email the monthly music newsletter, with the help of Mrs. Sieben from the PTA. I have many fun things planned for the year including musicals for 1st-6th graders, recorder playing for the 3rd and 4th graders, a composition unit in 5th grade, and group composer projects for the 6th graders. All grades will be playing instruments, singing and learning about how music enhances and defines our culture in many ways. I am very excited to be starting my second year at Pleasant Hill! It is going to be a great school year.

Recorder Karate

All 3rd and 4th graders will be participating in Recorder Karate where they have the chance to earn different colored belts for their recorders to wear. If they pass their test, they will earn a belt and when they become master players they will receive a black belt. If your child still needs a recorder, please send \$5.00 cash in an envelope to school with your child's name and teacher on it. Recorders should be arriving soon!

Cougar Chorus

The Cougar Chorus will begin rehearsals on September 14th for 6th grade students and September 16th for 5th grade students. The chorus meets during lunch recess and we have two concerts this school year. One is with the Intermediate Band in December and the other is the Black light Concert in April. If your child is still interested in being in chorus please fill out a permission slip. It is going to be a really fun year in chorus and I am very excited to begin rehearsing. For more information about how chorus benefits students check out this You Tube video clip.
